Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

LEAVE OF ABSENCE POLICY

Occasionally students may experience extended personal, medical, or unforeseen events which may impede them from attending class. Lawrence & Company College of Cosmetology allows for these unique circumstances by allowing a Leave of Absence (LOA) from the program. However, LOAs can only be granted under special circumstances and if the request is formally made in writing, submitted in advance by the student and includes the reason for the student's request and the student's signature. Approval may be granted by a Lawrence & Company College of Cosmetology supervisor.

The student is required to provide a written, signed, and dated request, that includes the reason for the request, for a leave of absence prior to the leave of absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

We may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the school documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.

Lawrence & Company College of Cosmetology will consider approval of a LOA if there is a reasonable expectation that the student will return from their Leave of Absence.

Whether the circumstances are for personal or unforeseen events LOAs are granted for 30 days. In rare cases, such as a serious medical condition an LOA may be granted for up to 6 (six) months providing there is a written request from the student's physician.

Lawrence & Company College of Cosmetology recommends that unless there is a serious need, do not request an LOA. LOA's can only be granted once every 12 months. Students returning from authorized LOAs will retain all credit for clocked hours and projects completed prior to their departure. Additionally, students returning from authorized LOAs will also resume their academic progress status held prior to their LOA departure. Once you return from a LOA the school will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. Changes to the contract period on your enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

Lawrence & Company College of cosmetology will not assess the student any additional institutional charges as a result of the LOA. Please note, the LOA together with any additional leaves of absence must NOT exceed a total of 180 days in any 12- month period. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. **PLEASE NOTE:** Any student that does not return to school at the expiration of their approved LOA, or a student takes an unapproved LOA, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

Financial Aid Programs

The following are brief descriptions of the Federal financial aid programs available at Lawrence & Company College of Cosmetology under the Title IV program:

Federal: Pell Grant, Subsidized Loan, Unsubsidized Loan, and Parent Plus Loan.

A Federal Pell Grant does not have to be repaid. The amount depends on your financial need, costs to attend school, and the program of study. If your parent or guardian was a member of the U.S. armed forces and died as a result of military service performed in Iraq or Afghanistan after the events of 9/11, you may be eligible for additional Federal Pell Grant funds.

Federal Supplemental Educational Opportunity Grant (FSEOG)

Federal Supplemental Educational Opportunity Grants are available to a limited number of students with exceptional financial need. Grants are based on available funds and do not have to be repaid. Need is determined by the financial resources of the student and parents and the cost of attending school.

Federal Work-Study (FWS)

Federal Work-Study provides part-time jobs for students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the student's course of study. Jobs are limited and students must maintain a minimum required GPA and attendance percentage to qualify.

William D. Ford Federal Direct Loan Program

Direct Loan programs consist of low-interest loans for eligible students to help cover the cost of education. Eligible students borrow directly from the U.S. Department of Education. Direct loans include Direct Subsidized, Direct Unsubsidized and Direct PLUS loans.

Direct Subsidized Loan

Direct Subsidized Loans are available to eligible students with financial need. Students may borrow funds at a fixed interest rate established annually by the U.S. Department of Education. The interest is paid by the federal government while students are in school.

Direct Unsubsidized Loan

Direct Unsubsidized Loans are available for eligible students to borrow for additional education costs. Students may borrow funds at a fixed interest rate established annually by the U.S. Department of Education. With the exception of demonstrating financial need, borrowers must meet all eligibility criteria of the Direct Subsidized Loan Program.

Parent Plus Loan

Direct Plus Loans are available for eligible parents of students to borrow for additional education costs. Parents may borrow funds at a fixed interest rate established annually by the U.S. Department of Education. With the exception of demonstrating financial need, borrowers must meet all eligibility criteria of the Direct Plus Loan Program.

*A NOTE ABOUT STUDENT LOANS: If A student obtains a loan to pay for educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund and that if the student has received federal student financial aid funds, the student is entitled to refund of the monies not paid from federal student financial aid programs fund.

VERIFICATION POLICY

Every year a number of students who are eligible for financial aid are randomly selected for verification by the U.S. Department of Education by the FAFSA Central Processing System (CPS). If a student is selected for federal verification, he/she will be asked to complete a Verification Worksheet and must provide additional information before financial aid can be disbursed to the student account. This documentation may include but is not limited to federal income tax transcript and W-2 forms, proof of untaxed income, housing allowances, etc.

Students will be notified by the financial aid office of all documents required to fulfill this federal requirement and will be provided with appropriate verification worksheet (V1 -V6) to complete. If after review by the financial aid office, there are any changes to the financial aid package the student will be notified in writing. Because students sometimes make errors on their application, colleges have procedures for verifying the reported information. CPS selects which applications are to be verified, but the school also has the authority to verify additional students.

Applications to be Verified The school must verify applications selected by the CPS of students who will receive (or have received) student financial assistance. These include the Pell Grant, Direct Loan, and FSEOG programs.

Verification Tracking Groups Students who are selected for verification will be placed in one of the five following groups. The group determines which FAFSA information must be verified for the student.

Standard Verification Group. Tracking flag V1. Students in this group must verify the following if they are tax filers:

*Adjusted gross income, Untaxed portions of pensions, Tax-exempt interest income, Household size, Untaxed portions of IRA distributions, U.S. income tax paid, IRA deductions and payments, Education credits, Number in college

*Students who are not tax filers must verify the following: Income earned from work, Number in college, Household size

Reserved for future use by the Department. Tracking flag V2

Reserved for future use by the Department. Tracking flag V3

Custom Verification Group. Tracking flag V4. Students must verify high school completion status and identity/statement of educational purpose.

Aggregate Verification Group. Tracking flag V5. Students must verify high school completion status and identity/statement of educational purpose in addition to items in the Standard Verification Group

Reserved for future use by the Department. Tracking flag V6

Reporting results for verification tracking flags V4 and V5 The school is required to report through FAA access to CPS online website, the outcome of verifying high school completion status and identity/statement of educational purpose for applications with tracking flag V4 and V5.

Data Retrieval Tool (DRT) Students and parents are encouraged to use the IRS Data Retrieval Tool (DRT) to import data from their tax return and not change it. It is the fastest, easiest, and the most secure method of meeting verification requirements. If students cannot or will not use the IRS Data Retrieval, either at initial FAFSA filing or through the correction process, they must provide an IRS tax return transcript for the student and spouse or parents, as applicable.

Acceptable Documentation If an applicant is selected to verify any of the following information, an institution must obtain the specified documentation.

Adjusted Gross Income (AGI), income earned from work, or U.S. income tax paid. An institution must require an applicant selected for verification of AGI, income earned from work or U.S. income tax paid to submit to it—

*A copy of the income tax return or an Internal Revenue Service (IRS) form that lists tax account information of the applicant, his or her spouse, or his or her parents, as applicable for the specified year. The copy of the return must include the signature (which need not be an original) of the filer of the return or of one of the filers of a joint return;

* For a dependent student, a copy of each IRS Form W–2 for the specified year received by the parent whose income is being taken into account if—

o The parents filed a joint return; and

o The parents are divorced or separated or one of the parents has died; and

o For an independent student, a copy of each IRS Form W–2 for the specified year he or she received if the independent student—

§ Filed a joint return; and

§ Is a widow or widower, or is divorced or separated.

An institution may accept, in lieu of an income tax return or an IRS form that lists tax account information, the information reported for an item on the applicant's FAFSA for the specified year if the Secretary has identified that item as having been obtained from the IRS and not having been changed.

An institution must accept, in lieu of an income tax return or an IRS form that lists tax account information, the documentation set forth below of this section if the individual for the specified year—

o Has not filed and, under IRS rules, or other applicable government agency rules, is not required to file an income tax return;

o Is required to file a U.S. tax return and has been granted a filing extension by the IRS; or

o Has requested a copy of the tax return or an IRS form that lists tax account information, and the IRS or a government of a U.S. territory or commonwealth or a foreign central government cannot locate the return or provide an IRS form that lists tax account information.

An institution must accept—

- o For an individual described above of this section, a statement signed by that individual certifying that he or she has not filed and is not required to file an income tax return for the specified year and certifying for that year that individual's—
- o Sources of income earned from work as stated on the FAFSA; and
- o Amounts of income from each source. In lieu of a certification of these amounts of income, the applicant may provide a copy of his or her IRS Form W-2 for each source listed in the bullet above.

For an individual described in above of this section (Has Requested a copy of the tax return or an IRS form that lists tax account information)—

- o A copy of the IRS Form 4868, “Application for Automatic Extension of Time to File U.S. Individual Income Tax Return,” that the individual filed with the IRS for the specified year, or a copy of the IRS's approval of an extension beyond the automatic six-month extension if the individual requested an additional extension of the filing time; and
- o A copy of each IRS Form W-2 that the individual received for the specified year, or for a self-employed individual, a statement signed by the individual certifying the amount of the AGI for the specified year; and

For an individual described in the above section (Has Requested a copy of the tax return or an IRS form that lists tax account information)—

- o A copy of each IRS Form W-2 that the individual received for the specified year; or
- o For an individual who is self-employed or has filed an income tax return with a government of a U. S. territory or commonwealth, or a foreign central government, a statement signed by the individual certifying the amount of AGI and taxes paid for the specified year.

An institution may require an individual described above (Has Requested a copy of the tax return or an IRS form that lists tax account information) to provide to it a copy of his or her completed and signed income tax return when filed. If an institution receives the copy of the return, it must reverify the AGI and taxes paid by the applicant and his or her spouse or parents.

-If an individual who is required to submit an IRS Form W-2, is unable to obtain one in a timely manner, the institution may permit that individual to set forth, in a statement signed by the individual, the amount of income earned from work, the source of that income, and the reason that the IRS Form W-2 is not available in a timely manner.

-An institution may accept in lieu of a copy of an income tax return signed by the filer of the return or one of the filers of a joint return, a copy of the filer's return that includes the preparer's Social Security Number, Employer Identification Number or the Preparer Tax Identification Number and has been signed, stamped, typed, or printed with the name and address of the preparer of the return.

Number of family members in household An institution must require an applicant selected for verification of the number of family members in the household to submit to it a statement signed by both the applicant and one of the applicant's parents if the applicant is a dependent student, or only the applicant if the applicant is an independent student, listing the name and age of each family member in the household and the relationship of that household member to the applicant.

Number of family household members enrolled in eligible postsecondary institutions. An institution must require an applicant selected for verification of the number of household members in the applicant's family enrolled on at least a half-time basis in eligible postsecondary institutions to submit a statement signed by both the applicant and one of the applicant's parents, if the applicant is a dependent student, or by only the applicant if the applicant is an independent student, listing—

- o The name of each family member who is or will be attending an eligible postsecondary educational institution as at least a half-time student in the award year;
- o The age of each student; and
- o The name of the institution that each student is or will be attending.

If the institution has reason to believe that an applicant's FAFSA information or the statement provided under the section (Number of family household members enrolled in eligible postsecondary institutions) regarding the number of family household members enrolled in eligible postsecondary institutions is inaccurate, the institution must obtain a statement from each institution named by the applicant in response to the requirement of section (The name of the institution that

each student is or will be attending) that the household member in question is or will be attending the institution on at least a half-time basis, unless—

- o The institution the student is attending determines that such a statement is not available because the household member in question has not yet registered at the institution he or she plans to attend; or

- o The institution has information indicating that the student will be attending the same institution as the applicant.

Other Information If an applicant is selected to verify other information specified in the annual Federal Register notice, the applicant must provide the documentation specified for that information in the Federal Register notice.

Completing the Process A student selected for verification must complete it. The school has the authority, and in some instances are required, to withhold disbursement of any FSA funds until she does. Adopting this policy substantially reduces the incidence of overpayments.

Notification to Students The school will notify students in person and prior to enrollment, of the required verification documents they must submit within 30 days after enrollment. They will be given a verification worksheet that details which documents to submit. They must also be informed that disbursements of any FSA funds will be withheld until all documentation is submitted.

An applicant whose FAFSA information is selected for verification is required to complete verification before the institution exercises any authority under section 479A(a) of the HEA to make changes to the applicant's cost of attendance or to the values of the data items required to calculate the EFC.

After Documentation is Complete When all necessary verification documents have been obtained from the student, they should be compared to the ISIR that is being reviewed for payment. If all the student's information is correct and there are no outstanding issues or conflicting information, the school may award and disburse aid for which the student is eligible. If verification reveals errors or inconsistencies, the student may have to make corrections or update information. Students selected for verification by the Center Processing System (CPS) will be required to submit specific form to the office. No funds will be disbursed until corrections have been made. When the corrected ISIR is received, the student will be notified in person if their EFC and Title IV amounts change.

Deadlines and Failure to Submit Documentation An applicant selected for verification must complete the verification process before any funds are disbursed. Verification is complete when the school has all requested documentation. For Pell grants, the student must have corrected any errors or shown that the information is correct, and the school must have her valid correct ISIR or SAR. If a student fails to provide the required documentation by the school's deadline of 30 days after enrollment, do not disburse Pell, Direct Loan, or FSEOG funds or certify a Direct loan application.

Referral of Fraud Cases Refers to the Office of Inspector General of the Department of Education for investigation— After conducting the review of an application, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility of the applicant for Title IV, HEA program assistance, or the amount of the assistance. Examples of this type of information are—

- o False claims of independent student status;
- o False claims of citizenship;
- o Use of false identities;
- o Forgery of signatures or certifications; and
- o False statements of income; and

Any credible information indicating that any employee, third-party servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs. The type of information that an institution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs.

Professional Judgement The school must complete verification for a selected student before exercising professional judgement to adjust any values that are used to calculate the EFC.

Professional Judgment Policy

If the EFC computed by the CPS doesn't seem to fit the students or family's real and most current financial situation, the law allows you to use a Professional Judgement to make "reasonable adjustments on a case-by-case basis to the data used in the calculations. Special circumstances that might support a professional judgment may include (but not limited to) recent unemployment of applicant, spouse, or parent; unusual medical expenses not covered by insurance; unusually high Child or dependent care cost; being homeless and/or a dislocated worker; or other changes in the family's income or assets. For more information you may contact the Financial Aid Office.

Determining Refund Amount For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of **days scheduled to attend**, prior to withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

Post-Withdrawal Disbursement: A) The institution must disburse directly to a student any amount of a post-withdrawal disbursement of grant funds that is not credited to the student's account. The institution must make the disbursement as soon as possible, but no later than 45 days after the date of the institution's determination that the student withdrew. B) The institution must make a direct disbursement of any loan funds that make up the post-withdrawal disbursement only after obtaining the student's, or parent's in the case of a parent PLUS loan, confirmation that the

student or parent still wishes to have the loan funds disbursed. Loans must be offered to the student within 30 days, allowing the student at least 14 days to respond. All post-withdrawal disbursements are applied to student accounts first.

Title IV, HEA credit balances. A title IV, HEA credit balance occurs whenever the amount of title IV, HEA program funds credited to a student's ledger account for a payment period exceeds the amount assessed the student for allowable charges associated with that payment period. A title IV, HEA credit balance must be paid directly to the student or parent as soon as possible, but no later than—Fourteen (14) days after the balance occurred if the credit balance occurred after the first day of class of that payment period; or Fourteen (14) days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period. If the R2T4 calculation results in an amount to be returned that exceeds the school's portion, the student must repay those funds.

ENROLLMENT TIME is defined as the hours of attendance and the portion of the course completed on the student's last day of physical attendance in school: Any monies due to the applicant or student shall be refunded promptly after receipt of the a formal cancellation from the student as defined in item B or formal termination initiated by the Lawrence & Company College of Cosmetology whichever shall occur no more than 15 days from the last day of the student's physical attendance, or in the case of leave of absence, the documented date of scheduled returns.

Student Loans If you received a student loan(s) to cover the cost of the program, any granted refund will be returned to the lender to reduce the loan debt. In the event the amount of the refund exceeds the unpaid balance, the student loan (s) balance shall be returned to the student.

After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (**including absences**), there will be no refund to the student.

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG, 10. Other. This order would apply in accordance to the aid programs available at the institution.

Example Refund Calculation

Hypothetical Example (Clock Hour Program) State Pro-rata Policy: Assume that a student, upon enrollment in a 1600 hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after completing 600 hours without returning (due to sanitary reasons) the equipment he/she obtained. The pro-rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in good condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned and paid by the student.

Total Paid	<u>\$ 7,400.00</u>	Tuition Cost	<u>\$ 6,800.00</u>	Paid for Instruction	<u>\$ 6,800.00</u>
*Less Registration		Hours in			
*Fee (Not Refundable)	<u>75.00</u>	Course	<u>1600</u>	(Hours Attended	<u>600)</u>
*Less Cost of Un- returnable equipment	<u>525.00</u>	Hourly Charge	<u>\$ 4.25</u>	Tuition Owed	
			<u>600 X \$ 4.25</u>	<u>\$ 2,550.00</u>	

Equals amount paid For instruction \$ 6,800.00 **Refund Due** \$ 4,250.00

"Contract Price" reflects the amount of tuition, fees and other costs for which the student has contracted to pay EXCEPT the value of equipment, books, and supplies.

"Amount Paid for Instruction" reflects the total amount paid to the school for tuition, fees, and all other charges for which the student has paid EXCEPT the value of equipment, books, and supplies WHICH ARE NOT REFUNDABLE.

Refund Calculations: This institution calculates refunds according to State Accrediting Agency requirements. The calculation will be based off the students scheduled hours. In case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

RETURN OF TITLE IV

Special note to students receiving Unsubsidized/Subsidized/PLUS/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment.

If any refunds are due based on the Return of the Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22.

The order of payment of refunds is:

- 1 Unsubsidized Loans from FFELP or Direct Loan**
- 2 Subsidized Loans FFELP or Direct Loan**
- 3 Perkins Loans**
- 4 PLUS (Graduate Students) FFELP or Direct Loan,**
- 5 PLUS (Parent) FFELP or Direct Loan**
- 6 Pell Grant,**
- 7 Academic Competitiveness Grant (ACG),**
- 8 National SMART Grant,**
- 9 Federal SEOG,**
- 10 other.**

This order would apply in accordance to the aid programs available at the institution. Course Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at the schools in the neighborhood.

STUDENT LOANS

If A student obtains a loan to pay for educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund and that if the student has received federal student financial aid funds, the student is entitled to refund of the money's not paid from federal student financial aid programs fund.

RECOVERIES & REFUNDS

In any case where a refund is due, the application of the refund will be made as follow: to the student and shall be made within 45 days. When student requests a transfer to another school, the institution will prepare all of the academic and financial documentation requested by the student.

COLLECTION POLICY

Students with an outstanding balance will be notified by mail with payment due within 180 days. If no payment or payment arrangements are made within that time frame the account will be turned over to Kings Credit Services for collection.

GRIEVANCE POLICY

It is highly recommended but not mandatory to bring all complaints first to the attention of the institution. In most cases this will resolve the complaint faster and will result in satisfactory results. We suggest that students use this internal process first, but that it is not required and they may contact the Bureau at any time. The Institutions grievance policy is available to students wishing to file a grievance. A student considering filing a grievance should attempt to resolve the

concern directly with the appropriate staff/faculty member and/or student. If the student is not satisfied or not willing to address the issue with the individual, the student should follow the grievance

procedures outlined below:

STEP I: Contact Instructor

STEP II: Contact Financial Aid Officer

STEP III: Contact Director

All grievances regardless of the nature will be reviewed evaluated, and addressed in a timely manner. If the grievances are an emergency it will be addressed within 24 hours.
